Possibilities for accommodation

We offer you the possibility to camp in the canoe centre of the PTSV from Friday to Sunday (4 € per night and person). Caravans/campers are possible on a very small scale (without electricity). Not far away, within walking distance (850 m), there is a camper and tent site (<https://www.kanucenter-ploen.de/>), also very nicely situated and beautiful. Pensions, hotels etc. can be found on the internet.

It is not recommended to use the youth hostel in Kiel, as there are only few parking spaces and the area is unsafe for bicycles.

Unclear but allowed to ride path entrances are drawn with a gap in the crossing area and the gap is filled with orange symbol for off-track riding. If nearby paths are not marked with orange in-between, they cannot be changed. There are paths that can only be used in one direction. This is marked with purple arrows.
